Dear Dr. Yu,

I am pleased to invite you to visit our Department of Electronic Engineering, City University of Hong Kong from August 1 to August 10, 2018.

Your visit will provide us a good opportunity to discuss numerous research ideas and organize research projects with common interests. During the academic visit, we will discuss the recent advances of wireless communications, and explore research collaboration in cloud storage and mobile edge computing.

Once you confirm your visit, I will arrange your visit schedule. I understand that your visit will be fully funded by your university.

I am looking forward to seeing you at City University of Hong Kong.

Sincerely yours,
